

FY18 NDAA: Timeline and Legislative Components

- May 23: The FY18 **President's Budget** request (PB) [released](#) by DoD.
- June 26: HASC Chairman's Mark [released](#).
- June 28: **HASC Markup** of House NDAA (its version was [H.R. 2810](#)). Congressman Lamborn had 11 successful amendments on space, missile defense, and acquisition reform. *Links to Lamborn [Markup summary](#) and [press release](#).*
- June 28: **SASC Markup** of Senate NDAA (its version was [S. 1519](#)).
- July 6: [HASC Report](#) released (contains a summary of Markup as well as Report language).
- July 10: [SASC Report](#) released.
- July 14: **House NDAA passed the Floor** by a vote of [344-81](#). Congressman Lamborn had three successful Floor amendments regarding missile defense acquisition, boost phase missile defense, and Iran. *Links to Lamborn [Floor summary](#) and [press release](#).*
- September 18: **Senate NDAA** (H.R. 2810 with the text of S. 1519) **passed the Floor** by a vote of [89-8](#).
- October 12: House-Senate Conference Committee [appointed](#). Click [here](#) to view Congressman Lamborn's top ten Conference priorities.
- November 9: **Final NDAA Conference Report*** released. Links to [SASC summary](#), [HASC Republican summary](#) and [HASC Democrat summary](#).
**The NDAA Conference Report includes 1) bill text, and 2) a [Joint Explanatory Statement](#) (JES), which explains whether each provision was in the House bill, Senate bill, or both, and what happened in Conference. Sometimes the JES includes a brief "why" explanation of the outcome, but usually it's simply a "what happened" explanation.*
- November 14: House passed the NDAA Conference Report by a vote of [356 - 70](#). *Links to Lamborn [Conference Report summary](#) and [press release](#).*
- November 16: Senate passed the NDAA Conference Report by voice vote.
- December 12: **NDAA Conference Report signed into law** by the President (along with [signing statement](#)).
